OTHER INITIATIVES

- 2017 **Workshop leader @ 'DORP', sustainable development at WTTV Festival**
 This year leading a 10 day long multidisciplinary workshop with Studio Davero to improve sustainable development of festivals, resulting in project Puzzle Peace (see my website)
- 2017 **Presentation @ Congres Circulair Innoveren, Volkshotel Amsterdam**
 Organisation *Nederland Circulair* asked Studio Davero to present our work, alongside other companies Ikea, Engie en Verdraaid Goed.
- 2016 **Hello Wood Project Village 2016, Csoromfolde, Hungary**
 A 10 day long design & build exercise in real-time master planning, practicing the craft and politics of building, and constructing of community with architects, urban thinkers, and students from all around the globe. (<http://www.hellowood.eu/project-village-16.html>)
- 2015 **Initiator & president Argus Expo, TU Delft**
 Since I personally missed it at my faculty of Architecture, I initiated a platform for exchange between the different master studios and founded the Argus Expo: a bi-annual exhibition, displaying the most remarkable projects from each master studio.
 (<http://www.argus.cc/argus-expo/>)
- 2015 & 2016 **'DORP', sustainable development at Welcome To The Village (WTTV) Festival**
 With Studio Davero at a 10 day long multidisciplinary workshop to improve sustainable development of festivals. See project Nest at my website.
- 2015 **Columns on sustainability, Engineering for Sustainable Development, TU Delft**
 Sparked by my additional specialisation in sustainable development (TiSD)
 (<http://tudelft.gingerresearch.net/search?qsort=&qcat=&qv=veerle>)
- 2014 **'Fundamentals' @ Venice Architecture Biennale, Oxford Brookes University/TU Delft**
 3 day workshop at La Biennale di Venezia investigating the fundamentals of architecture, through team work research, excursions, lectures and debates.
